RINGKASAN

Data-Driven Digital Professional | Social Media Specialist | Graphic Designer | Digital Marketer

With over 6 years of combined experience in social media, graphic design, and digital marketing, I specialize in transforming creative ideas into measurable business results. I have developed and executed multi-platform content strategies across Instagram, Facebook, TikTok, LinkedIn, and YouTube, generating 12.4M Instagram views, 349K interactions, 202K link clicks, and 37.6K follows, as well as 31M Facebook views, 11.2M viewers, 52.1K interactions, and 1.2M link clicks. On TikTok, I contributed 1M video views, 8.9K profile views, 8.2K likes, and 1.2K shares, while on YouTube I helped generate 604K views, 2.4K watch hours, 661 new subscribers, and 404K+ Shorts views.

Beyond strategy and analytics, I also create compelling visual assets using Adobe Creative Suite, including social media content, brochures, infographics, and other promotional materials that strengthen brand communication and audience engagement. Supported by a background in IT support and web development, I bring strong analytical thinking, adaptability, and technical understanding to optimize campaign performance, improve digital execution, and support business growth.
